

December

Student of the Month

Medora Good

Before she ever took an art class, Wahpeton High School Senior Medora Good was drawing everything she could see. “Even though it wasn’t very good.” Medora noted. She likes art because it relaxes her by being able to take out anger, stress, and frustration on paper. Aside from art, Medora is involved in theatre, choir, band, JFK dance program, and DECA. Good’s leisurely activities include reading, drawing, and hanging out with friends and family. After high school, Medora would like to go to BSU for Pre-Mortuary Science and become a Mortician and Funeral Director. Medora has a goldendoodle named Finley and two cates, Neil and Diamond.
