“I’ve been in art classes ever since 7th grade.” says Breckenridge High Senior, Destiny Stroehl. She’s taken Creative Crafts, 2-D design, Ceramics 1-4, Altered Books, Painting, and Drawing. When asked why she likes art so much, she responded with “It relaxes me.” Her favorite medium is Clay and Graphite. Destiny takes part in extracurricular activities as a volleyball manager, and enjoys barrel racing in the summer. After high school, Stroehl plans on going to NDSCS for Generals, and then SDSU for Pre-Vet. Destiny hopes to become a veterinarian.
